

YRC Provides New Service Options with Mobile Tools

iPhone and Android apps simplify access to shipment information

OVERLAND PARK, Kan., Feb. 10, 2011 /PRNewswire/ -- YRC, the largest subsidiary of YRC Worldwide Inc. (Nasdaq: YRCW), today announced new mobile tools that allow YRC customers to track shipments, read the latest YRC news and access customer service. YRC is providing free iPhone and Android apps, along with a mobile web site for all other phones.

"The tools give our customers another channel for service, whether they want to track a shipment or chat online," said Mike Naatz, president — customer care division and chief customer officer for YRC Worldwide. "We want to use technology to make it as easy as possible to do business with YRC. And our mobile tools let YRC customers enjoy the convenience of being able to track their shipments whenever and wherever they want."
