

YRC Worldwide Extends Debt-for-Equity Offers to December 28

80% of Notes Tendered to Date

OVERLAND PARK, Kan., Dec 23, 2009 /PRNewswire-FirstCall via COMTEX News Network/ -- YRC Worldwide Inc. (Nasdaq: YRCW) announced this evening that it has extended the expiration date for its previously announced exchange offers until 11:59 p.m., New York City time, on December 28, 2009, unless further extended.

As of 5:00 p.m., New York City time, on December 23, 2009, 53% of the 8 1/2% Notes and 90% of the aggregate principal amount of the 5.0% and 3.375% Notes had been tendered into the exchange offers, representing 80% of the company's outstanding notes. As of the prior expiration date on December 15, 2009, 35% of the 8 1/2% Notes and 91% of the aggregate principal amount of the 5.0% and 3.375% Notes had been tendered into the exchange offers, representing 75% of the company's outstanding notes. The interest payment on the 3.375% Notes originally scheduled for November 25, 2009 will be paid on December 24, 2009, which is within the thirty-day grace period as provided for in the note indentures.

The company said that it continues to work with its noteholders through this holiday period to increase the level of support for this recapitalization, which is a key part of the comprehensive plan the company is implementing to place it on a more solid financial base.

Important Information about the Exchange Offer

This release is for informational purposes only and is not an offer to buy or the solicitation of an offer to sell any security. The exchange offers are being made only by means of a prospectus, a letter of transmittal and other offer documents, as described below.

In connection with the exchange offers by YRC Worldwide Inc., the company has previously filed with the SEC a registration statement on Form S-4 (which contains a preliminary prospectus), amendments to the Registration Statement (each of which contains a prospectus supplement), a tender offer statement on Schedule TO, as amended, and other related documents and materials. Investors and security holders are strongly urged to carefully review the registration statement, the amendments to the registration statement, the preliminary prospectus, the prospectus supplements, the tender offer statement, the amendments to the tender offer statement and the other related documents and materials that the company filed or files with the SEC, including the final prospectus described below, when available, as well as any amendments and supplements thereto because they will contain important information about the company, the exchange offers and related transactions and are the sole means by which any offer to exchange or sell, or any solicitation of any such offers, will be made.

The preliminary prospectus, the prospectus supplements and related transmittal materials have been delivered to holders of the outstanding notes. Investors and security holders may obtain a free copy of the registration statement, as amended, the preliminary prospectus, the prospectus supplements and transmittal materials, as well as other documents the company filed or files with the SEC, at the SEC's website, www.sec.gov. Prior to the expiration of the exchange offers the company will file a final prospectus with the SEC. Investors and security holders are strongly urged to carefully review the final prospectus when it is available. Free copies of the company's filings with the SEC have been made available on the company's website, www.yrcw.com, or may be obtained by making a request to YRC Worldwide Inc., 10990 Roe Avenue, Overland Park, Kansas 66211, (913) 696-6100, Attention: Dan Churay, Executive Vice President, General Counsel and Secretary.

Forward-Looking Statements:

This news release contains forward-looking statements. The word "will" and similar expressions are intended to identify forward-looking statements. It is important to note that any exchange are subject to a number of significant conditions, including, among other things, that holders of a specific percentage of the outstanding notes participate in the exchange offers. We cannot provide you with any assurances that such conditions to the exchange offers will be satisfied. In addition, even if the exchange offers are completed, the company's future results could differ materially from any results projected in such forward-looking statements because of a number of factors, including (among others) inflation, inclement weather, price and availability of fuel, sudden changes in the cost of fuel or the index upon which the company bases its fuel surcharge, competitor pricing activity, expense volatility, including (without limitation) expense volatility due to changes in rail service or pricing for rail service, ability to capture cost reductions, changes in equity and debt markets, a downturn in general or regional economic activity, effects of a terrorist attack, labor relations, including (without limitation), the impact of work rules, work stoppages, strikes or other disruptions, any obligations to multi-employer health, welfare and pension plans, wage requirements and employee satisfaction, and the risk factors that are from time to time included in the company's reports filed with the SEC, including the company's
