ADDITION OF EXHIBIT

This Post-Effective Amendment No. 1 to the Registration Statement on Form S-1 was filed to include as an exhibit to registration statement number 333-176971 KPMG LLP's consent to the use of its reports dated February 28, 2012, with respect to the consolidated financial statements, the related financial statement schedule and the effectiveness of internal control over financial reporting of YRC Worldwide Inc. and its subsidiaries (the "Company") included in the Annual Report on Form 10-K of the Company for the year ended December 31, 2011 in such registration statement and the related prospectus. KPMG LLP's report on the consolidated financial statements includes an explanatory paragraph that states that the Company has changed its policy for accounting for tires. KPMG LLP's report on the consolidated financial statements also includes an explanatory paragraph that states that the Company has experienced recurring net losses from continuing operations and operating cash flow deficits and forecasts that it will not be able to comply with certain debt covenants through 2012 and these conditions raise substantial doubt about the Company's ability to continue as a going concern. The reports of KPMG LLP were filed in the Prospectus Supplement No. 3 dated February 28, 2012 filed pursuant to Rule 424(b)(3).

Consent of Independent Registered Public Accounting Firm

We consent to the incorporation by reference in the registration statement on Form S-1 (number 333-175971) of YRC Worldwide Inc. of our reports dated February 28, 2012, with respect to the consolidated balance sheets of YRC Worldwide Inc. and subsidiaries (the “Company”) as of December 31, 2011 and 2010, and the related consolidated statements of operations, cash flows, shareholders’ equity (deficit) and comprehensive loss for each of the years in the three-year period ended December 31, 2011, the related financial statement schedule, and the effectiveness of internal control over financial reporting as of December 31, 2011.

Our report on the consolidated financial statements includes an explanatory paragraph that states that the Company changed its policy for accounting for tires. Our report on the consolidated financial statements also includes an explanatory paragraph that states that the Company has experienced recurring net losses from continuing operations and operating cash flow deficits and forecasts that it will not be able to comply with certain debt covenants through 2012 and these conditions raise substantial doubt about the Company’s ability to continue as a going concern. The consolidated financial statements and the financial statement schedule do not include any adjustments that might result from the outcome of this uncertainty.
