## YRC Freight Honored as Walmart's National LTL Carrier of the Year

### Safety and Service Highlighted in Award Recognition

OVERLAND PARK, Kan., March 26, 2015 (GLOBE NEWSWIRE) -- YRC Freight has been selected to receive the 2014 National LTL Carrier of the Year award from Walmart. YRC Freight was chosen for its outstanding service, effective communication, excellent safety standards, and innovative solutions. The winner is selected by Walmart's transportation executive team. This will be the third time in 5 years that Walmart has selected YRC Freight for this distinction. YRC Freight and Walmart have a long-standing partnership serving the LTL needs of one of the most sophisticated supply chains in the world.

"We are grateful that Walmart has chosen us for this prestigious award," said Darren Hawkins, President of YRC Freight. "This means a lot to us. With every shipment and every mile, our employees worked hard last year to help Walmart achieve their goals. Walmart has high expectations for safety and service and our team showed the drive and dedication to surpass those expectations 24 hours a day, seven days a week."

"Walmart takes great pride in cultivating relationships with exceptional carriers throughout the United States," said Kevin X. Jones, Vice President of Walmart Inbound Transportation. "Partnering with companies like YRC Freight is essential to accomplishing and exceeding our important goals."

YRC Freight's national network offers significant capacity and coverage to Walmart and their suppliers. YRC Freight has engineered their network to accommodate the shipping needs of companies like Walmart and their suppliers who place a high value on safety, service, communications and innovative shipping solutions.

"It really comes down to the hard work of 20,000 employees, day in and day out," said Hawkins. "It's every driver, every dock worker, every person at YRC Freight going above and beyond the call of duty to create the best possible customer experience—whether it's for one shipment or 1,000 shipments."
