YRC Freight Introduces Redesigned Website and Instant, Easy-to-Use Dimensional Web Quoting

OVERLAND PARK, Kan., Aug. 26, 2014 (GLOBE NEWSWIRE) -- YRC Freight announced today the launch of a new Dimensional Web Quoting application which follows the successful debut last month of a redesigned YRC Freight website. The Dimensional Web Quoting application will make it easier than ever for customers to obtain a competitive quote based on density, schedule a pickup and pay instantly with a credit card, all in a matter of minutes. Customers no longer need to know class or commodity and do not need to have an established account and or set one up.

"Designed with input from our customers, the enhanced YRC Freight website and this new Dimensional Web Quoting application are offerings that we believe will provide our customers with technology they can use to help them meet the demands of their business. A leader in LTL shipping for 90 years and counting, YRC Freight is proud to introduce another industry-leading service," said YRC Freight President Darren Hawkins.
