Inbound Logistics Names New Penn a Top 100 Trucker

LEBANON, Pa., Nov. 28, 2012 /PRNewswire/ -- (NASDAQ: YRCW) -- New Penn has been named a Top 100 Trucker for 2012 by Inbound Logistics magazine.

New Penn was selected from more than 250 trucking companies for the magazine's annual Top 100 Motor Carriers directory. Compiled by Inbound Logistics editors, the directory is a qualitative assessment of service providers offering the operational capabilities and experience to meet the transportation, supply chain, and logistics needs of the magazine's readers.

Each year, Inbound Logistics editors evaluate submitted information, conduct personal interviews and online research, and compare that data to their readers' trucking and logistics challenges to select the best transportation providers.

"New Penn employees are focused on providing the highest levels of service available in the regional LTL marketplace. Our inclusion in the Top 100 Trucker listing affirms our commitment to meet our customers' needs for next-day morning deliveries, on-time performance, and damage-free handling," said Steve Gast, New Penn president.
