Explanation of Responses:

1. The issuer granted the reporting person rights to receive shares of the issuer's common stock, called performance share units, pursuant to the achievement of performance targets under a long-term incentive plan. After expiration of a holding period, the reporting person will receive one share of the issuer's common stock for each vested performance unit. Fifty percent of the performance units vest on the third anniversary of their date of grant, and the remaining 50% vest on the sixth anniversary of their date of grant.

2. Closing price per share of the issuer's common stock on the date of grant.

3. Includes the 4,374 performance share units reported in this form and 710 performance share units that the issuer granted the reporting person on April 16, 2003. The vesting schedule of the 710 performance share units has been amended to match the vesting schedule described in footnote 1.

4. Between January 1 and February 27, 2004, the reporting person acquired 22.65 shares of the issuer's common stock under the Yellow Corporation 401(k) plan.
