Inbound Logistics Names Holland a Top 100 Trucker

HOLLAND, Mich., Nov. 28, 2012 /PRNewswire/ -- (NASDAQ: YRCW) -- Holland has been named a Top 100 Trucker for 2012 by Inbound Logistics magazine.

Holland was selected from more than 250 trucking companies for the magazine's annual Top 100 Motor Carriers directory. Compiled by Inbound Logistics editors, the directory is a qualitative assessment of service providers offering the operational capabilities and experience to meet the transportation, supply chain, and logistics needs of the magazine's readers.

Each year, Inbound Logistics editors evaluate submitted information, conduct personal interviews and online research, and compare that data to their readers' trucking and logistics challenges to select the best transportation providers.

"Holland employees understand that every shipment is a promise of next-day expertise, quality handling, and on-time performance to a customer. Recognition as a Top 100 Trucker is a gratifying acknowledgement of our efforts to meet every service promise with superior service," said Scott Ware, Holland president.
