Holland received this inaugural award at the carrier conference held at True Value headquarters in Chicago on June 28.

"Our entire team is honored to receive this distinction from True Value and Holland is proud to be its most trusted LTL transportation partner," said Holland Senior Vice President of Sales and Marketing Jim Ferguson. "Striving to meet and exceed our customers' expectations is always our main goal and this award motivates us to continue providing our best to all of our customers."

The winner was selected based on the following categories: claims ratio, on-time service, customer service and communication, and positive comments on the monthly feedback sheets.
